Foster parents are encouraged to maintain an "Aunt" or "Uncle" relationship with the dog in their care; but it does occasionally happen that the foster parent and dog bond so completely that adoption into the home is best for the dog and family, with which we would be happy to work with to complete.

Do you understand that if you wish to adopt your foster dog, you must complete an Adoption Application and pay the set adoption fee for the dog for which you are applying?

Yes  No
